The Caberg Biënnale  
is organised by B32,  
in collaboration with  
Atelier Haven, SmeetsTekst,  
Trajekt, Servatius and  
Buurtplatform Caberg.

The Mathias Soironstraat,  
Pieter Poststraat, Henri Jonaslaan  
and Gilles Doyenstraat in Caberg  
are breeding grounds for creativity:

Two out of our three Arthurs play music, recently with Robbert, Yves and Edis, otherwise with Sander, Emanuel and Martijn. Julia is into fashion, as are Ingo, Sonja and Branko. Daantje and Tiny philosophize, Matylda is everywhere but here, while Jonas and Julia ain't livin in California, yet. Jörg teaches, Joep, Joost and Eva, too. Henning is still a student and Charlotte and Thomas are students again. Dirk and Henry own their own business and Marjolein is setting one up right now. Willem paints, always and everywhere, José paints too, but on a smaller scale. Sanne likes snails and Gries likes cats, we all love James. Miriam knows coffee and that Marie favors decaf soy latte. Fabian just moved here together with Charlotte though she is in New York right now. Maartje and Ingo already toured through Asia three times, Brenneke and Jimmy will move there soon. Nika keeps bees, Kim, Tim, Yves and Lisanne own a graphic atelier, Lonneke has Luca, Julie and Maurits are blessed with Isra, and Lynn and Maarten with Lore. Lyanne and Yvonne are bike messengers, Felix is a photographer. Lukas and Max both work with wood and Jan works with words. Patrick knows numbers, Stefan is an architect, Roos an acupuncturist and Rebecca an artist. Marielle is a yogi and Arek a freestyler. And Lynn does the hula hoop.

Together, we form the Caberg  
Collection. We open our doors  
and show you our talents on  
the 4th and 5th of July 2015.

Opening:  
Saturday 4 July at 12.00  
on the courtyard between  
Mathias Soiron and Pieter Post.
